ANNOUNCING THE 75TH ANNIVERSARY CELEBRATION DINNER

August, 2007

The Board of Trustees of the Henry George School of Social Science cordially invites you to celebrate the 75th anniversary of the founding of the Henry George School of Social Science as a chartered educational institution in the state of New York. The dinner is on Thursday, October 25, 2007.

Throughout history individuals have devoted themselves to improving society by recognizing that existing injustices caused many to live in fear of not knowing whether they can provide for themselves or their families. One such individual was Henry George who identified these injustices and through his writings proposed a reform which would bring order to a disordered economic system and allow for the pursuit of greater moral and intellectual goals. However, only through an educated populace could society change and realize its full potential.

To achieve these goals a generation with direct links to Henry George founded the school in 1932. The year 2007 marks seventy five years of continuous effort to educate the community about his ideas and the practical steps necessary to eradicate poverty which accompanies both progress and the huge expansion of material wealth.

The anniversary celebration will be held on Thursday, October 25, 2007, reception 6:15 PM and dinner 7:30 PM at the facilities of the House of the Redeemer, 7 East 95th Street, Manhattan, New York, New York 10128.
